

Hi Everyone,

We are organizing a powerful Day of Truth and Freedom tomorrow! Here are some updates:

**1) For a powerful Day of Truth & Freedom, we know we need many hundreds of Minnesotans to stand together in action. We also know the most effective way to turn people out is personal invitations. Please join for these turnout phonebanks today where we will share updated details on the plan for Friday and then make invite calls to people in our personal networks.**

**Thursday 1/22 from 2-5pm:** <https://isaiahmn-org.zoom.us/meeting/register/DNnsMy1WRZ-QtkNEpop3cw>

## 2) Actions Friday

**1. 8:30am Morning National Prayer Call (All are encouraged to join):** [https://faithinaction.zoom.us/webinar/register/WN\\_-glp0tXLQ0ajWvuzYg5hfw?emci=d019e67a-4ef6-f011-8d4c-0022482d279b&emdi=c3bb7eb2-dff6-f011-8d4c-0022482d279b&ceid=194707#/registration](https://faithinaction.zoom.us/webinar/register/WN_-glp0tXLQ0ajWvuzYg5hfw?emci=d019e67a-4ef6-f011-8d4c-0022482d279b&emdi=c3bb7eb2-dff6-f011-8d4c-0022482d279b&ceid=194707#/registration)

**2. 10:00 - Action at MSP** - We want as many people there for an action as possible. We expect the action to last 60-90 minutes. We will be outside. Wear three layers and cover all your skin. We will pray for those who have been abducted at the airport and the 2000 people who have been flown out of MSP on deportation flights since Jan. 1. We will also call on Signature Air, Delta, and MAC to put an end to these ICE flights.

There will be a strong clergy team there.

In case you need any grounding on why it is time for us to act: <https://www.mprnews.org/story/2026/01/21/ice-detains-5year-old-minnesota-boy-lawyer-says-agents-used-him-as-bait>

**3. 2:00pm - March in Minneapolis starting at the Commons (just west of Vikings Stadium)**

**4. 3:00pm - Rally inside Target Center (yes, it's inside!!)**

**5. 5:30 - Prayer Service at First United Church of Christ in Northfield**

There are many other actions happening as we call for No Work, No School, No Shopping to emphasize that there can't be business as usual until ICE leaves MN.

You can learn more at this website: <https://www.iceoutnowmn.com>

Invite your friends and neighbors to join you in action. We know there will be extreme cold, so do what physically makes sense for you and bundle up. I just bought some coveralls!

The world is watching Minnesota. We will continue to show the world that we stand for caring for our neighbors. We stand for human dignity. We stand with one another. Even when there's ICE.

Thank you for your leadership. I'm glad to be in this with you.
