

## The Short Version

### **UPDATED ROUTE MAP & RALLY INFORMATION AS OF JANUARY 22nd**

Minnesotans are coming together in moral reflection and action to stand together against the actions of the federal government against the state of Minnesota. The ICE surge of over 3,000 Federal agents that cost the life of Renee Nicole Good is violating the Constitutional and human rights of Americans and our neighbors. This is not law enforcement. We need to say what this is: *it is a paramilitary occupation forced on Minnesotans by our Federal government because we did not vote for Donald Trump and because our leaders oppose his policies.*

Minnesota will never bend the knee to cruelty. Northfield will never bend the knee for cruelty. **Nonviolent, peaceful dissent is patriotic.** And we dissent. **Friday, January 23rd will be a statewide day of non-violent moral action, reflection: no work, no school, no shopping — only community, conscience, and collective action.**

Temperatures will be **brutally cold**. It's January in Minnesota. **Be safe and dress for the conditions!** As ever, our safety marshals will be present. We'll continue to maintain the rally at Bridge Sqaure as the march carries on, so if you don't feel that you wish to

walk outside in extreme cold temperatures-- don't. **You still showed up, and it still counts. Err on the side of your safety.**

**During the rally, we ask you to:**

**Wear warm clothes!** It's January in Minnesota. Temperatures are expected to be significantly below zero on Friday with strong gusty winds. **Dress appropriately for these conditions.** We're Minnesotans. There's no such thing as bad weather, only inappropriate clothing. **We're tough.** But make no mistake, these are harsh conditions, and we want you to be safe. *No shame staying safe and warm this time, attend at your own risk*

**Raise your voice peacefully & follow directions.** We will rally at Bridge Square, and organize the march as soon as practicable. Bring a sign to tell ICE to leave Minnesota (consider keeping it a manageable size with expected winds), lead some chants, and connect with your neighbors and community at your event. **Remember that all events are peaceful and non-violent, so we look to de-escalate any situations that arise.** Please follow the directions of our safety marshal team.

**Grow our peaceful movement and join us-- and bring your friends and family dressed for harsh Minnesota winter. Please forward these details widely. All are welcome.**
